

# Interreg Greece-Bulgaria Mobile Biodiversity

European Regional Development Fund

Paggaios, Thursday, 19<sup>th</sup> January, 2023

## Press Release

Reaching the end of the Project period HELLENIC DEVELOPMENT CITY NETWORK a project partner of "VIRTUAL AND MOBILE MUSEUM OF BIODIVERSITY" ("Mobile Biodiversity"), with the support of the Municipality of Paggaios, organized a last educational campaign for children in Paggaios area.

The educational campaign developed under the project was presented to the children together with the virtual museum on biodiversity, its application and the biodiversity game. Moreover, Info packages, brochures, leaflets and other material created within the context of the Project was distributed to the participants (hats, t-shirts, eco-souvenirs, bags, etc).

The collected rich database on the species and habitats typical for the CB region that was presented to the public aims to increase knowledge on environmental protection and building ecological self-awareness. The attractive learning opportunities for different age groups, especially children and youth set base for environmental conscience and interests in that area.

Thank you all for your active participation and we are looking forward to continuing your educational trip by visiting us in Moustheni!!!

The Project is co-funded by the European Regional Development Fund and by national funds of the countries participating in the Interreg V-A "Greece-Bulgaria 2014-2020" Cooperation Programme.
